About Me

3rd-year engineering student skilled in C, Java, CSS, and HTML with a focus on frontend web development. Aspiring developer with top-notch skills and a passion for innovation.

SKILLS

- **Technical Skills:** C, Java, HTML, CSS
- **Soft Skills:** Communication, Leadership, Time Management

EDUCATION

Alva's Institute of Engineering and Technology | B.E in Computer Science | CGPA: 8.30| 2021 - Present
Presidency Pre University College,Sira| PCMB | 92% | 2021
Presidency Public School | 89% | 2019

EXPERIENCE

Internet of Things Intern | COMEDKARES CENTRES | 2021

- Led a team during an IoT internship, coordinating projects and promoting collaboration.
- Enhanced expertise in sensor integration within IoT systems using TinkerCAD.

C and Data-Structure Intern | Alva's Institute of Engineering and Technology | 2022

- Developed a strong grasp of data structures and algorithms.
- Gained hands-on experience in debugging and troubleshooting C code.

ACADEMIC PROJECTS

College Management System | 2023

- Designed intuitive interfaces for student registration, course management, and faculty administration.
- Developed the system using HTML, Java, JavaScript, and PHP.

Image Defogging Using ML| 2024

- Developed a CNN model to enhance and restore clarity in foggy images using Python and TensorFlow/Keras.
- Improved image quality and visibility, achieving high PSNR and SSIM scores.

CERTIFICATIONS

Basic Programming & Data Structure | CodeChef | Mar 2024

- Demonstrated proficiency in medium and high-level programming problem-solving techniques.

Java Fundamentals | Infosys | December 2022

- Learned Java programming fundamentals and gained hands-on experience.

ACHIEVEMENTS

- Represented college in VTU level competitions, winning the championship for 2 consecutive years in Ball badminton
